

# New Mini LS. The works for a song.

1. Five fat little ROH mags.

2. Your own sound system. Radio and stereo cassette.

3. Fog lamps like a top European road car.

4. The vinyl roof tops it off nicely.

5. Full cloth seats. Like BMW among others.

6. Sporty steering wheel.

7. Three dial sports instrument pack.

8. Gleaming metallic paint.

9. Heated rear window, a winter special.

What Mini LS doesn't give you in a car isn't worth having. In short, you get the works for a song. A total of 17 luxury features above and beyond the everyday Mini.

You want more? You've got it! 10. A centre mounted roof aerial. 11. Dual horns clear your way. 12. Distinctive LS badges. 13. LS stripes. 14. Super Halogen headlights. 15. An interior bonnet lock. 16. Tinted

glass. 17. Chrome exhaust extension and like all Minis there's deep pile carpet underfoot.

You can add those seventeen knockout features to Mini's everyday

saving graces. Among the smallest priced cars in Australia today. And small priced on petrol and spare parts to boot!

# Specifications.
