THIS YEAR'S NEWS IS 9 NEW AUSTINS

By Appointment to Her Majesty The Queen Motor Car Manufacturers The Austin Motor Company Limited

Backed by BMC 12-month warranty and BMC service

Most motor companies offer one new model for the Motor Show. Or maybe two. Austin offer nine. Including *every kind of new car*. In fact the only car that remains from last year's Motor Show is the Austin Seven. *The most revolutionary small car in the*

world. That's the true measure of Austin's achievement.

If you can't see the Austin gala performance at Earls Court—your local Austin dealer will be putting on a star-studded performance all of his own. See him.
