

A close-up, low-angle shot of the front of a Mini car. The image is dominated by the vertical slats of the chrome grille, which are illuminated from the right, creating a strong contrast with the dark background. The top of the right headlight is visible in the upper right corner, and the bottom of the left headlight is in the lower left corner. The car's body panels are dark and sleek. The overall mood is sophisticated and classic.

NIMBLE
RESPONSIVE
AND STYLISH

CONGRATULATIONS
FROM
CLARKE HOOPER
