

you'll have fun...fun...fun...

'til your daughter takes your Cooper away!

Remember the sixties...The Beatles...The Stones... The Italian Job... the Cooper S and of course the Beach Boys... well the new 1995 Cooper S from John Cooper Garages will help you do just that and with the same flair and style that the original 'S' used to do and more!

It's been twenty-five years since the last Mini Cooper S finally rolled off the BMC production line. Since then there has never been a Rover approved Mini Cooper S that you could purchase direct from John Cooper - until today.

We will order a new Cooper 1.3i from Rover, register it brand new in your name and, convert the new car to a fully Rover approved Cooper S specification - as developed by John Cooper Garages. None of this conversion work effects the Mini's original Rover Warranty and the parts that we fit are of course fully covered by us.

Specification includes ...80 bhp Engine - Performance cylinder head, Special rocker assemblies, Free flow air cleaner, Power plus exhaust system, Complete oil cooler kit

...Power - 80bhp at 6000rpm* **...Torque** - 86lb/ft at

4200rpm* **...0-60 mph** - 9.86 seconds* **...Top speed** - 101mph*

...Fuel consumption - 38mpg* **...Sports Handling** - Five 165/60x12

Dunlop tyres, Front and rear Koni shock absorbers **...Interior** - walnut dash with

John Cooper signed auxiliary gauges, walnut door cappings and door pulls, John Cooper alloy

door fittings and gear knob, lowered John Cooper leather steering wheel, stainless steel door sill edgings

...Exterior - body colour wheel arches, new Cooper badging, "S" decals and of course a quick release alloy

locking fuel cap **...and all this for under £10,000** (£9,975 + on the road charges). To order your new Mini Cooper S please telephone direct to our Sales Department on **01903 504455**

John Cooper Garages now offer an even larger and more comprehensive range of conversions and top quality accessories for your Mini or Mini Cooper.
