

A long and happy life.

MinipassionMini.com

A new part? A new accessory? Make sure they're genuine. Specifically designed to keep your car going through a long long life.

That means a Rover part. A Rover accessory. From your Rover dealer. (Not someone else's try-and-fit-it-in effort.)

Come and talk to us about it. On the Rover Stand.

Happy birthday, Mini. Happy driving, motorist.
