

# At last, there's a Dunlop tyre for Minis to rally round.

This is the gutsy one. The new Mini Rally Tyre from Dunlop. Name: SP Super. Vital statistics: 165/70 HR 10.

A fine figure of a tyre with a broad 5" tread width for rims 4½-6". As you'd expect from Dunlop, this is not just a Mini tyre scaled down from a larger size. Based on the remarkably successful SP Super pattern it has been further developed to

meet the Mini's specific needs.

The result is a unique combination of highly stable tread pattern, very wide drainage grooves, reinforced shoulders, and extra tread depth. So it goes further, grips tighter, wet or dry.

Designed primarily for use on tarmac, selective and stage events, the new Mini Dunlop SP Super is already available. Get yours now. Good news travels fast.

Phone 021-373 2121 or write to Competition Centre, Dunlop Limited, Fort Dunlop, Birmingham B24 9QT.
